Galloway, NJ – Stockton University, in collaboration with AtlantiCare Regional Medical Center and Rothman Institute, will host a Lunch & Learn session on “Treatment for Foot and Ankle Arthritis” on **Thursday, Jan. 14, 2016** from 12 p.m. – 1 p.m.

The Lunch & Learn will be held at the Manahawkin Instructional Site, located at 712 E. Bay Ave., Manahawkin, N.J. The event is free and open to the public, and lunch will be provided. To register, call the Manahawkin Instructional Site at 609-626-3883.

Brian S. Winters, M.D. of Rothman Institute will present an interactive seminar on the treatment of foot and ankle arthritis. He is an orthopaedic surgeon who specializes in all areas of foot and ankle surgery with an emphasis on total ankle replacement, ligament and tendon repair, work and sports-related injuries, minimally invasive arthroscopic techniques, deformity correction and reconstructive surgery related to cartilage injury/arthritis/neurologic conditions and trauma, and acute lower extremity fracture care.

Winters has received multiple awards for his academic excellence, clinical achievement and leadership. He is an assistant professor of orthopaedic surgery at Thomas Jefferson University in Philadelphia and is very active in research, which has resulted in numerous publications and book chapters.

For more information about events and courses offered at Stockton's Manahawkin Instructional Site, visit www.stockton.edu/manahawkin.
